

Miguel Claramunt

📍 Barcelona, ES | ✉ miguel@claramunt.es | 🌐 Website | 🔗 LinkedIn | 🐙 GitHub

Professional Summary

Data Scientist with a strong foundation in AI data science, and analytics, combining academic and industry experience to deliver scalable solutions. Specialized in Natural Language Processing, Large Language Models, and High-Performance Computing.

Experience

Research Engineer, Barcelona Supercomputing Center – Barcelona, ES Nov 2024 – present
Engineering state-of-the-art machine translation systems and multilingual NLP pipelines. Current projects involved: ELOQUENCE (EU), AINA (CA), ALIA (ES).

Support Infrastructure Engineer, Leeos Merch – Barcelona, ES July 2024 – Sept 2024
Architected a scalable Freshdesk infrastructure for high-volume platforms, automating workflows to manage 5.5K+ monthly tickets.

Data Engineer (Client: CaixaBank), SDG Group – Barcelona, ES Sept 2023 – Apr 2024
Maintained a real-time analytics platform for 40K+ daily users and engineered enterprise ETL pipelines processing 500K+ records monthly.

Undergraduate Research Assistant, Universitat de València – València, ES Apr 2022 – July 2022
Developed end-to-end NLP applications for fake news classification.

Education

Universitat Pompeu Fabra, Master of Science in Intelligent Interactive Systems – Barcelona, ES 2024 – 2026

Universitat de València, Bachelor of Science in Data Science – València, ES 2019 – 2023

Honors & Awards

City of Valencia Data Visualization Award – València, ES July 2021
Awarded by the Chair of Gamification and Open Government of València (Càtedra de Ludificació i Govern Obert a la Ciutat de València)

Skills

Languages: Spanish (native proficiency), English (full professional proficiency), Catalan (professional proficiency)

Volunteering Activities

Group Leader & Instructor, Juniors Santa María de Jesús – València, ES 2017 – 2022
Led a 9-monitor team for 2 years, organizing weekly activities for up to 20 children. Coordinated an 11-day summer camp with a 14-member team, overseeing activities for 50+ children.
